Before issuing the

the kind notice of the
members the following

At page 2 of the order
it is stated "As the
30 wells of the village
were for personal benefit"
though it is a fact that
at the main settlement
the whole village was treated
as for personal benefit
It is clear from the accounts
and the settlement-records

that two other writs were for the receipt of the temples of Varadaraja-Swami and Trivikrama-Swami and that these temples were the donees under the original grant (there being) This has however no bearing upon the present case but it is a matter for consideration whether an unqualified statement like the one in view would not prejudice the case of these temples which by virtue of such gift have come to be considered as Muzrai institutions.

6 1/2 Vrittis and some Bhatamanya lands in Jodi Iggali Village of the Nanjangud Taluk which were transferred through Sale, have been in our enjoyment for hundreds of years. Out of the total Kandaya due on 6 1/2 Vrittis after payment of the Jodi and other Govt. dues, the net amount was being collected through Govt. Agency and paid to us for Services in the institution

We had maintained an establishment in the Temple and were conducting Nitya-Kattle and Hechukattle service from the income of the Villis Cash grant from Govt and our private funds. This State of affairs continued when the Village was for some time under Govt Management and also for some years after the appointment of an Agent, till the Village was for some reason or other, mortgaged to Mr Krishna Rao. It is our desire that the proportionate amount due from the Villis from the date of mortgage may be paid to us and the proportionate extent of land in the Lanka-bed brought under cultivation may be given to our possession

The lands indicated by me may be taken possession of and managed by the Muzrai Dept. and that the services as stipulated by our ancestors may be conducted in the Temple. The patta of the proportionate extent of land in the Tank bed may be made out in my name and certain amounts which have accumulated owing to the non-conduct of worship in the Temple, may be made over for repairs to the Temple building.

Thirty Villis forming the Village were under the management of Govt. the Taluk authorities were receiving the proportionate income due from 6½ Villis and paying it to our family. In this connection, my father Venkata has had to go to Talkad and yadi dated 26th Nov. 1851 from Talkad Amildar to my late Amildar (copy produced for perusal and taken back by me) throws light on the matter. Maddika lands are not divided. I have requested Government to assume
